*"Promoting Boiler Safety and Providing a Free Exchange of Information"*

Published Quarterly

To our members and supporters:

Until further notice, the WTBSA will be postponing all regularly scheduled activities including our meetings, golf tournament, scholarship program, and annual boiler school. Financial and administrative issues have allowed us to evaluate the way we provide service to our boiler community.

We will continue to update and monitor our website ([www.WTBSA.org](http://www.WTBSA.org)) throughout the year. If you have any questions or concerns, please do not hesitate to contact us.

Thank all of you for your support of the WTBSA throughout the years. It is a pleasure knowing that we have helped promote safe boiler practices in our area during the last 18 years. Hopefully we will reorganize and become a stronger group.

Sincerely,  
The WTBSA Staff
